50X1-HUM

1. In connection with a decree issued in June 1953 by the Ministry of Shipping, which ordered the transfer from Gdynia to Szczecin (Stettin) of the families of seamen based at the latter port, it has been established that one of the homes in Gdynia vacated in this way has been allocated to a Jewish family which had arrived in Gdynia from the interior of Poland. A considerable number of Jewish families are reported to have arrived in Gdynia from inland at the beginning of July.
2. In another case, a person wishing to purchase a free building site on ul. Korzeniowskiego in Gdynia, belonging to the Gdynia Association of Real Estate Owners, was informed that his offer was rejected on the grounds that the sale of sites in the Kamienna Gora suburb (where the street is situated) had been reserved by higher authorities.
